Price Guide For Made to Measure storage systems

Colour options

We can do 27 colours at a standard height of 2096mm.

Dark Walnut, Light Grey, Alabaster, Dakar, Stilo Walnut, Vanilla, Lancaster Oak, White, Winchester Oak, Swiss Pear, Medium Walnut, Romana Cherry, Mussel, Montana Oak, Stone Grey, Light Maple, Bardolino Oak, Canadian Maple, Ellmau Beech, Cashmere, Coco Bolo, Driftwood, Grey Brown Ontario Walnut, Hacienda Black, Mali Wenge, Light Lakeland acacia & Ferrara Oak.

- The storage offered has an 18mm solid back. This is better than leaving the wall on show as it gives a barrier between a cold wall and your clothes which is particularly important on older properties and north facing external walls. you may want to fit a panel on the back wall above the top shelf using a tall end panel to hide the wall completely but this will cost a little more.
- Each robe has a base, back, shelves where applicable and sides all made from superior 18mm chipboard which is the very best quality available. You don't see any floor or wall when you look inside just perfect robes by adding a panel on the back and side walls above the top shelf. Top shelf sold separately from the unit.
- Bespoke widths can be arranged please speak with us for a quote to get the best fit.
