- Bespoke heights made to measure simply by adding £50 per robe unit up to 2500mm.
- We can do taller up to 2.9m but would need to look at the specific job to give a firm price. The estimated price would be to cost as standard robe and add the cost of a bridging unit on top of that and don't forget the plinth to scribe to the roof shape above the top door.
- All the tall robes have removable legs at the bottom so you can build them up to the roof.

All prices above include Vat at 20%.

All robes are 600mm deep from back to front including the door and have a solid one piece 18mm back panel which sits flush to give as much internal depth as possible.

We can increase the depth of a robe which works out at Robe price plus 25% for up to 300mm Deeper. Any extra shelves are then costed at shelf price in this guide plus 50%.

All base units are 480mm deep from back to front inc. fascia with a small void to the back.

PLEASE NOTE :

PLEASE BE AWARE THAT YOU NEED SPACE TO BUILD THE ROBES ON SITE IN THE ROOM LAID FLAT DOWN AND THEN AFTER ATTACHING THE LEGS YOU STAND THEM UP INTO POSITION. BE CAREFUL IF THERE IS A COVING AROUND THE ROOM ENSURE IT IS DESIGNED SO THAT THE DOORS FINISH BELOW THIS LEVEL.
